GENOS L2000-e

Brand: Okuma Australia

Product Code: GL#2000e

Availability: In Stock

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

The GENOS L2000-e CNC horizontal lathe offers high quality, high performance with excellent operator-friendliness

Description

The GENOS L2000-e CNC horizontal lathe offers the broadest range of configurations in the GENOS lathe line - affordable, entry-level, multi-function lathes that are anything but basic. Built on a one-piece, cast iron base with a horizontal way system and hand-scraped headstock and tailstock mounting surfaces, this machine provides stability, rigidity and accuracy for a variety of applications. Standard 10" chuck and live tooling, the machine can be configured with Y-axis and/or sub-spindle and is available with 5 different Z-axis travel lengths. Affordability meets flexibility.

Specification

MODEL	UNIT	GENOS L2000-e
